Global Partnership

Strong Global Sourcing Capability

Through strategic joint investments with leading crab industry companies in the United States and Russia, we possess exceptional procurement power and distribution competitiveness.

MARINE WONDERS LLC (USA): Strategic cooperation with one of North America's largest crab distributors ensures a stable global supply network and strong financial backing.

LLC SK Polar Group (Russia): Secures a stable supply of raw materials through ownership of various crab fishing quotas across Russia.

Core Competencies

1 Unmatched Price Competitiveness

Our integrated business model covering harvesting, importing, and distribution minimizes intermediary channels, allowing us to offer highly competitive pricing.

2 Stable Supply Network

With annual crab quotas of 3,000–5,000 metric tons and operational funding of approximately USD 10 million per month, we ensure a continuous and reliable supply of products.

3 Strict Quality Control

Every product undergoes rigorous quality inspection from the raw material stage. Standardized quality management systems are applied separately for both live and boiled frozen products.

4 Optimized Logistics System

Leveraging our frozen storage facilities in Busan and bonded holding tanks in Donghae, we have established a fast and accurate nationwide distribution network.

Process

HARVESTING → SORTING → PROCESSING → RAPID FREEZING → PACKAGING → SHIPMENT
